Sand Buggy – 60 Minute Mini Baja

Price:

- 1 seater = starting price \$543 per person
- 2 seater = starting price \$659 total
- 4 seater = starting price \$775 total

Description: By far our most popular Off-Road Adventure Tour in the Las Vegas area is the Vegas Mini Baja Chase. The Mini Baja Chase is fast-paced and not tailored for the weak at heart. Your job will be to chase one of our expert Dunies. The only thing that will slow our Dunie down is if he's waiting for you to catch up. At SunBuggy, although we regularly host large events with hundreds of participants, the Mini Baja Chase is kept to less than 7 cars per Dunie to ENSURE that you get a nice fast ride! During your Off-Road adventure you will travel over very aggressive and challenging terrain. The Vegas Dunes Off-Road recreation area consists of dunes, gravel, hard pack, hills, valleys, washed out creek beds, and trails running in every direction. The Vegas Dunes Off-Road area is very technical, and is used by several off-road racing organizations such as SNORE, SCORE, MRAN, and Best in the Desert. This is similar to a roller coaster ride, except you're DRIVING!

Looking forward to assisting further with securing a tour from the resort. Please contact the Concierge at 702.797.7877 or email us at RRConcierge@stationcasinos.com
